

Northern Roots Circular Walk

Meadow route

A circular route through Snipe Clough to Park Bridge Heritage Centre. **Approximately 2.8 miles.**

Suitable for...

People steady on their feet. A mix of paved and muddy paths, some steps and some steep woodland slopes. **Walking boots recommended**

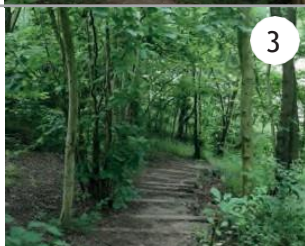

1. From the car park at the bottom of Kings Road/Honeywell Lane, head in a north easterly direction for 50m, turn right onto the playing field.

2. At the bottom of the field cut through the narrow path entering the woodland.

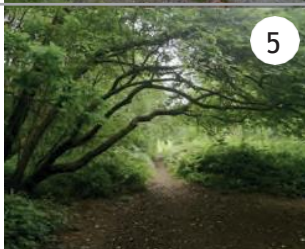

3. Bear left, down the steps, keep left passing the heron pond. Continue through the woodland until you reach a stone pathway. Turn right onto the path.

4. Turn left, continuing along the pathway, through the meadow.

5. As you approach a Y ahead, turn right into the woodland.

6. Continue until you arrive at a signpost and turn left in the direction of Park Bridge. Pass through the gate until you arrive at the edge of Snipe Clough, turn left.

7. Walk along Dingle Terrace bearing right onto Tuns Road, passing Park Bridge Heritage Centre.

8. Before you reach the chimney, turn right along the stone path, through the kissing gate.

9. Head up the steps in front of you. When you reach the top, turn right. Continue to bear right, passing the gate until you reach the sign post.

10. Head in the direction of Alexandra Park until you arrive back at the car park.
